

JUDCon2011:Boston

JBoss Users & Developers Conference

When: May 2-3, 2011

Where: Seaport Hotel & World Trade Center, Boston, Massachusetts

Why: Because developers need to get their hands dirty in code.

Cost: JUDCon is \$99, \$120 at the door - but attendance is capped at 350 and the hotels are filling up, so register now!

Special Discount: Use the code "jbug_boston2011" and pay only \$69.00!

What is JUDCon?

JUDCon is a conference "By Developers, For Developers." Presentations will include a range of deep technical dives into JBoss Community projects and related technical topics of developer interest.

Agenda

The third JUDCon - JUDCon Boston: 2011 - will be a two-day, three-track event packed with valuable sessions, with an evening and will run into the early hours of the following day.

JUDCon Boston will again be the day before JBoss World and shares the same venue. On Monday we'll have 3 tracks for a total of **21 sessions to choose** from.

During dinner, the **JBoss Community Recognition Award** winners will be recognized.

After dinner, there will be a "**Real-World Challenges and JBoss**" panel, followed by a live recording of **JBoss Community Asylum**

Then come the lightning talks, and HackFest, and beer... until after midnight.

On Tuesday, after a day of 15 more great sessions we will let out at 3:30 for JBoss CTO **Mark Little's JBoss World keynote** at 4 PM and the **JBossWorld Welcome Reception** at 7 PM, both included.
