

## JOIN US FOR THE PARTY

Directly next door to the Moscone Center is the JBoss Speakeasy Party located at Jillian's inside the Metreon. Slip away for an hour or three to relax and unwind with JBoss. The JBoss Party is an exclusive opportunity to relax, hang out and network away from the crowds at JavaOne. You will find the JBoss developers, executives and Java community enjoying an open bar (without the crowd), hors devours, San Francisco's top jazz band and challenging each other to ping pong, fooze ball and shuffle board. We hope to see you there!
